Affiliate Marketing Mastermind Event – Part 6

Super Affiliate IQ Test: Question #2

In one year you will die unless you receive life-saving surgery. The surgery costs \$250,000 and you cannot beg, borrow or steal the money. You must raise NEW money... meaning any income you have coming in right now does not count. You must raise \$250,000 within 12 months doing something completely, 100% new to you.

What will you do? When will you begin?
