Affiliate Marketing Mastermind Event - Part 1

Back in October, 2008, I had the opportunity speak live at a \$2,500 per head million dollar mastermind event.

My goal was to share with in the audience how to use effective affiliate marketing techniques to help promote their current businesses or careers. We talked about a number of ways to create additional income streams that can run on semi-autopilot once set up.

I was originally scheduled to speak for an hour. We ended up going for almost four hours due to popular demand.

Over the next few weeks I'll be posting the entire event here for you to enjoy in bite-sized 10 minutes chunks.

Pay attention, take notes and take action because you will find some "hidden gems" here that can and will make you a fortune if you act on them.

Enjoy...
